

The Wainwrights

Winter 2023

Welcome to a Wainwright Winter Wonderland from **Laura, Johan**, and the whole team.

The Sun's long gone, so, while you're waiting to get the feeling back in your toes, why not catch up with what's been happening at The Wainwright.

GBG 2024 We're In It!

This years **CAMRA Good Beer Guide** was published, as usual, in September. After taking a year off we're proud to say we're in it again!

The other entries from Keswick are the Dog and Gun and, for the first time, the Fox Tap (tap room of the Keswick brewery). They are excellent ambassadors for real ale and we'd like to congratulate both for their selection.

Entries in the **CAMRA Good Beer Guide** are decided by the local volunteers and they take into account the views of all **CAMRA** members through their National Beer Scoring Scheme (NBSS).

The 0-5 score rates the quality of beers at pubs you've visited. If you'd like to vote for us you can point your phone at this QR code to go straight to the site (or type it into a browser) <https://whatpub.com/pubs/CUM/166/wainwright-keswick>

It's the SUN Wot Dun It!

The Wainwright has made it into the national press for the first time (as far as we're aware, if you know different please let us know) with a mention in **the Sun!**

Travel > UK Travel
I LAKE IT The small UK market town that's 'best for staycations' – with boat trips, festival and surprisingly popular museum

Meanwhile, [pubs](#) like the Bank Tavern, the Wainwright and the Dog and Gun provide locals and visitors places to sample ales and ciders in a cosy traditional pub atmosphere.

OK it's not the biggest mention ever made but we're very chuffed with it anyway. Now, we know that some visitors have a very strong dislike of the **SUN** following their publishing of defamatory comments that were later found to be untrue. We'd like to assure those folk that no newspapers were purchased in the writing of this article.

Tashathon 2023

It's that time of year again and Johan and the team have stepped up to the challenge of **Movember** by cultivating some of the dodgiest tashes seen in Keswick for some time (just the blokes of course!). They were joined in their task by some regulars and together they've raised over £90 for charity.

Top (l to r): regular Lynton (Johan's BFAM), Johan, Myles & Rob. Bottom (l to r): Barman Tom & regulars Steve and Gary Fisher (if you think the face looks familiar he's the chap on about half of our walking videos on the TVs).

We can assure visitors that all of the photos are genuine and any resemblance to seventies porn stars is purely coincidental!

Xmas Greetings!

We'd like to thank you all for visiting and wish you a merry Christmas and happy New Year, if you visit when such greetings are appropriate. If it's further into Winter than that, then please stay healthy, it'll be Spring before you know it, and we hope we'll see you again soon.
